

GENERAL MANAGERS REPORT

As a Club our ideals are aligned with those of the Returned Services League and to commemorate our service personnel that never returned to this country and assist our returned service personnel.

With this in mind it was pleasing to see so many locals join our Club for the Anzac Day march and service. Once again the Club served breakfast to over 800 people who rose early to pay tribute.

My thanks to the Sub Branch, the Women's Auxiliary, the Board of Directors and my Management and staff for the effort to make Anzac Day such a special day on our calendar. And thank you our members for being a part of the day.

It has been almost six month since the Club renovations have be completed and the accolades are continuing from our members, visitors and club industry representatives. You should all be very proud of the modern club you are members of.

The Club has continued with our strategic business plan as set by the Board of Directors and management and we are currently designing a refurbishment for the Bistro to become an Asian cuisine restaurant. Building will commence in July and be completed by October.

Table 15 Brasserie will continue to operate six days a week until Mid-September at which time the area will close briefly before we unveil the new Jade Palace. Further details will be displayed in the Club.

When completed we will have Rations dining for all your western meals and Jade Palace for all your Asian meals and many areas in the Club both indoor and outdoor for you to enjoy your meal.

We welcome new additions to our team at Kingsgrove RSL Club. Congratulations to member Ryan Asplet who along with other applicants applied for the casual vacancy on the Board of Directors. Ryan is a young local father of two who will provide a new prospective on the Board of directors and we wish him all the best. Our thanks to all the applicants who applied, it is very pleasing to see an interest in being a director of our Club.

A new addition to our management team is Karen Rook who has many years' experience in the Club Industry in various roles and has joined us as the Human Resources Manager and will be responsible for all our wonderful staff here at Kingsgrove RSL Club. Please welcome Karen when you see her in the Club.

Mid-March, MR SEWELL (one of our club members) was happily holidaying in Bali Indonesia, where he sadly lost his wallet on a beach, before promptly heading back to Sydney Australia. However a social savvy Indonesian and good-samaritan MR Bayu Saputra found Mr Sewell's wallet and contacted the Kingsgrove RSL Club through Facebook, having found Mr Sewell's Club Membership Card. The Club was able to

contact Mr Sewell and get him in contact with MR Bayu Saputra so he could recover his wallet and identification.

So don't forget to Like, Follow and Check-in at Kingsgrove RSL Club on Facebook or Instagram, because who knows when social media or Kingsgrove RSL Club could help you out of a sticky situation.
