

YOUR CLUB DONATED OVER 150K IN GRANTS AND SPONSORSHIP TO THE LOCAL COMMUNITY IN 2017

Phil Favero accepting a cheque of \$5500 on behalf of The St George Children with Disability Fund for their music therapy program from Kingsgrove RSL Club President Mr Alan Barnes.

Kingsgrove RSL Club are proud to announce that in 2017, the club with the support of our members and board have been able to award \$151,877.99 to our local community groups, schools, sports clubs and charities to connect people and create positive changes within our local communities.

By way of the ClubGRANTS scheme, Kingsgrove RSL Club has been able to help build stronger, healthier, more vibrant and inclusive communities. A couple of the noteworthy local programs we proudly provided financial support for this year included:

\$6500 in funding provided to Our Lady of Fatima Catholic Primary School to upgrade the school library to better cater to the growing needs of their 500+ students, 30 teachers and volunteers, and improve the children's focus and discover independent study. The funding will help purchase new furniture to allow for quiet reading and works spaces for student collaboration; buy some new technology to make the space an exciting and interesting space for students to grow their skills and develop their imagination.

A grant of \$4500 to Kingsgrove Community Aid Centre to assist in their Parent and Family Support Program aimed at supporting parents and assisting them to reach out for assistance with early intervention. The funding will assist in providing parents with access to supported playgroups and childcare offerings and first aid courses. Some of the monies will also go to help develop two major activity days for families to participate in.

Recipients include:
