My name is Andrew Goschnik and I am an athlete in the St George District Athletic Club.

I would like to thank Kingsgrove RSL Club for giving me funding towards paying off my trip to the Oceania Championships for athletics.

I competed in the U18 400m Hurdles in which I placed second and received a Silver Medal.

I thoroughly enjoyed the trip and being a member of the Australian team and representing my country.

Thanks again, kind regards  
Andrew Goschnik

**Andrew Goschnik and Billy Humberstone pictured left, athletes from St George District Athletic Club**

My name is Billy Humberstone and I am an athlete in the St George District Athletic Club.

I am writing to say thank you to Kingsgrove RSL for the grant I received to compete at the Oceania Athletics Championships in Townsville, June 24-28, 2019. I am very fortunate to have had the opportunity to represent Australia and I received a bronze medal in the Men's U20 110m hurdles.

The championships were held over 5 days and we experienced team village life, took part in education sessions, met other international athletes and watched lots of great events.

The Oceania Championships were a great experience for me, and I hope to be able to represent Australia again in the future.

Again, my very big thanks to all at the Kingsgrove RSL for being a part of my athletics journey.

Kind regards,  
Billy Humberstone
